## Southfield Regional Academic Campus

February 6, 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2021-22 educational progress for Southfield Regional Academic Campus. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact David Reese for assistance.

The AER is available for you to review electronically by visiting the following web site [Combined Report 2022-2023](#) or you may review a copy in the main office at your child's school.

For the 2022-23 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, SRAC was labeled as a CSI School.

Southfield Regional Academic Campus has been designated as a Comprehensive Support and Improvement school due to SAT scores falling below the lowest 5% of all schools in the state.

Our continued focus is to consistently improve the number of students that are measured as being proficient on the state assessments and decreasing the gap between our highest and lowest achieving students. We are committed to improving the percentage of students that are proficient in both English Language Arts and Mathematics. Special focus is being paid to the achievement of the social studies and science assessments to dramatically improve achievement in those content areas. Additionally, we continue to monitor and analyze the data for our students that are scoring in the bottom thirty percent of the proficiency ranks to provide targeted interventions aimed to close the measured achievement gaps. Our school is aligned with the improvement strategies identified by our district:

Launch of MI Excel Blueprint for Advancement; Alignment of curriculum to content standards; Development of standard based unit assessments to monitor progress; Continued administration and data analysis of the PSAT NWEA Measures of Academic Progress Assessment three times per year. In an effort to reach students and open their hearts and minds to learning we also equip them with social/emotional support. Students partake in

programs such as: Women of Tomorrow, Project Womanhood, Project Manhood, and Finding Your Lemonade Mentoring and Encourage Me I'm Young mentoring program. These programs coupled with the academic support provided to our students, such as: SAT Preparation, Reading Across the Curriculum, Math/ English Instructional Coaches, and instructional strategies being provided by Oakland Schools Consultants will allow for the acceleration of student achievement and closing the gaps.

### **PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL—**

Students are assigned to a school based on their home address, school district boundaries and seating availability. If the student has an IEP the school assignment is based on the program availability provided at the assigned school.

All enrollment questions are referred to the Central Enrollment Office.

- Parent/legal guardian brings completed enrollment forms and required documentation to the Central Enrollment Office. This is done in person by a parent/legal guardian. Enrollment forms and documentation are not accepted at the student's school.
- Process after enrollment papers have been submitted to the enrollment office:
  - New student information is entered into MI-Star in the Central Enrollment Office.
  - The building secretary and/or counselor are notified via MI-Star notification. Student Data form and transcript (grades 9-12 only) are mailed to the secretary immediately.
  - Secondary only – Parents and students are advised to call a counselor or secretary for scheduling appointments.
  - 30-day placements are completed in the Student Services office. The caseload teacher and principal are notified of new Special Education students and sent a copy of the IEP.
  - Completed Enrollment form, report cards, and transcripts are sent to the building within 24 hours.

## **THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN—**

In 2020 The Michigan Department of Education revised the School Improvement Process. The school improvement process was revised to the Michigan Integrated Continuous Improvement Process (MICIP). Southfield Regional Academic Campus will follow the district MICIP plan. Southfield Public Schools MICIP Plan is to bolster district wide systems of support designed to increase student academic achievement by 7% by June 30, 2023 and build the capacity of social emotional learning for all stakeholders. This is a living document that is revised throughout the year based on stakeholder data. MICIP Plan focuses on establishing equity in accessibility to our district wide systems that address social-emotional and academic supports. Southfield Public Schools will concentrate on engaging students in their learning and as a result will achieve higher proficiency levels in their instruction, assessments, and overall well-being. Dedicated time during staff meetings and school/district professional development.

## **A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL—**

Southfield Public Schools offers specialized programs that provide students and parents with choices to meet their needs. Programs include:

**Birney K-8** has fine-arts programming embedded within the student's daily curriculum. K-8th grade students are able to participate in fine arts programming such as choir, band, visual arts and dance classes. We have established a number of community partnerships which assists with enhancing our programming.

**The Bussey Preschool** - All Bussey programs including Head Start and Great Start are accredited by the National Association for the Education of Young Children and licensed by Michigan's Family Independence Agency.

**Kennedy Learning Center-** Kennedy Learning Center is a K-12 and Post-Secondary School that provides quality educational experiences for special needs students in an environment conducive to learning. Our program hinges upon dynamic collaboration between key constituents such as caregivers, parents, students, teachers and social workers. Each student has an individualized program that is comprehensive and functional while addressing their future needs in the home, school and community. The school serves students ages 5-17 and young adults ages 18-26. Kennedy Learning Center Work Skills students currently participate in offsite Work Based Learning at Southfield A&T High School with a job coach.

**Levey Middle School** offers an Integrated STEM Program (science, technology, engineering, and math) for students who demonstrate a strong interest in these areas. An application process determines who will attend this innovative program.

**MacArthur K-8 University Academy** is an application K-8 school of choice within Southfield Public Schools. MacArthur K-8 University Academy has partnerships with The University of Michigan-Dearborn, the Engineering Society of Detroit, and Michigan First Credit Union.

**Stevenson Elementary** A United Way for Southeastern Michigan Community School. A Community School is a neighborhood hub that students, families, staff and the surrounding community can take pride in. These groups all play a vital part in the success of the school, helping ensure that every student is successful. Community Schools offer academic support, social and emotional learning, and health and wellness resources. United Way for Southeastern Michigan's Community Schools model focuses on: Integrated Student Supports, Family and Community Engagement, Expanded Learning Time and Opportunities and Collaborative Leadership.

**Thompson K-8 International Academy and Southfield High School for the Arts and Technology are also IB World Campuses** and join the community of state, private, national and international schools from every region of the world offering IB Programs. These are schools that share a common philosophy-a commitment to the high quality, challenging, international education that is important for student success on a global level.

**University Middle School Academy** is an examination/application school for students in grades 6-8. It is housed on the Lathrup Campus with a rigorous curriculum which has a balanced focus on the four core academic content areas of English language arts, mathematics, science, and social studies.

**University High School Academy and University High School Preparatory Academy**- is a school for parents and families who are highly motivated and who demonstrate a strong interest in Integrated STEM (science, technology, engineering, and math). This examination/application high school partners with the University of Michigan-Dearborn and Michigan First Credit Union. The educational process provides a variety of learning experiences flexible enough to allow for freedom to experiment and to make decisions conducive to personal growth.

**Vandenberg World Cultures Academy, Thompson K-8 International Academy, and Southfield High School for the Arts and Technology:** The school district now has three magnet ESL/bilingual schools. In an effort to provide improved rigor, consistency, and best practice, the elementary, middle and high school English language learners will be housed in an appropriate socio-cultural environment that is academically and cognitively challenging.

## **CORE CURRICULUM**

The district is utilizing the Atlas Rubicon platform to standardize implementation of core content. The district is following an approved model and is being supported through this process by Oakland Schools, our local ISD. The district has executed two internal audits to assess current status and build out next steps.

## **THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS—**

The standardized tests students took last year at Southfield Regional Academic Campus were SAT, PSAT, ACT Workkeys, M-STEP, MI-ACCESS, WIDA and NWEA. The NWEA assessment was completed three times during the school year. Unfortunately, our 2022 -2023 testing results reflect the impact of the pandemic and the interruption of consistent testing routines. Due to the cohort size. All data below is estimated based on the number of participants. The number of students tested was less than 50.

The number of students represented by the parents or guardians at parent teacher conferences 21 or 21% of the student population.

Southfield Regional Academic Campus does not have any students enrolled in a postsecondary program. Southfield Regional Academic Campus does not offer college equivalent courses; therefore, no student received college credit.

Southfield Regional Academic Campus students will focus on continuous improvement, increased rigor and regular reflection. We appreciate the efforts of parents, staff, Central Office, community volunteers, and area businesses that have aided with acknowledging, advancing, and accentuating all that we do. Our goal is to enhance each student's academic growth to the highest possible level of achievement, while assisting students with maintaining a focus of proper attitude for success in the future. The 2022-2023 school year will be fueled by our commitment to high school and post-secondary school readiness for all students. At Southfield Regional Academic Campus, success is the only option for our students.
