MacArthur K-8 University Academy

January 22, 2024

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for MacArthur K-8 University Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Mr. William Washington for assistance.

The AER is available for you to review electronically by visiting the following website [MacArthur AER Report](#), or you may review a copy in the main office at your child's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2022-23. Some schools are not identified with any of these labels. In these cases, no label is given.

This year MacArthur's focus is improving our Math -M-step scores with a focus on problem-solving. Students in every class will be required to explain their thinking and show their work. Students in every class will be required to use academic language when explaining their understanding of concepts. We will continue providing pastoral care, giving students a chance to build trust, respect, and caring relationships. Capturing Kids' Hearts is the process we will live by to build and strengthen relationships with students. The district is identifying the blueprint as the key initiative being undertaken in the school to accelerate student achievement. The emphasis is being placed on systems to ensure student success as well as intense student support.

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

MacArthur is an application school. Students apply via an online application portal. Applications are reviewed and students are chosen based on the application submitted.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

In 2020 the Michigan Department of Education revised the School Improvement Process. The school improvement process was revised to the Michigan Integrated Continuous Improvement Process (MICIP). MacArthur K-8 University Academy will follow the district MICIP plan.

Southfield Public Schools MICIP Plan is to bolster district wide systems of support designed to increase student academic achievement by 7% by June 30, 2024 and build the capacity of social emotional learning for all stakeholders. This is a living document that is revised throughout the year based on stakeholder data. MICIP Plan focuses on establishing equity in accessibility to our district wide systems that address social-emotional and academic supports. Southfield Public Schools will concentrate on engaging students in their learning and as a result will achieve higher proficiency levels in their instruction, assessment, and overall well-being. Dedicated time off during staff meetings and school/district professional development.

A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL-

Southfield Public Schools offers specialized programs that provide students and parents with choices to meet their needs. Programs include:

Birney K-8- has fine-arts programming embedded within the student's daily curriculum. K-8th grades students are able to participate in fine arts programming such as choir, band, visual arts, and dance classes. We have established a number of community partnerships which assists with enhancing our programming.

The Bussey Preschool- All Bussey programs including Head Start and Great Start are accredited by the National Association for the Education of Young Children and licensed by Michigan's Family Independence Agency.

Kennedy Learning Center- Kennedy Learning Center is a K-12 and Post-Secondary School that provides quality educational experiences for special needs students in an environment conducive to learning. Our program hinges upon dynamic collaboration between key constituents such as caregivers, parents, students, teachers and social workers. Each student has an individualized program that is comprehensive and functional while addressing their future needs in the home, school and community. The school serves students ages 5-17 and young adults ages 18-26. Kennedy Learning Center Work Skills students currently participate in off site Work Based Learning at Southfield A&T High School with a job coach.

Levey Middle School- Offers and Integrated STEM Program (science, technology, engineering, and math) for students who demonstrate a strong interest in these areas. An application process determines who will attend this innovative program.

MacArthur K-8 University Academy- is an application K-8 school of choice within Southfield Public Schools. MacArthur K-8 University Academy has partnerships with the

University of Michigan-Dearborn, the Engineering Society of Detroit, and Michigan First Credit Union.

Stevenson Elementary- A United Way for Southeastern Michigan Community School. Community School is a neighborhood hub that students, families, staff and the surrounding community can take pride in. These groups all play a vital part in the success of the school, helping ensure that every student is successful. Community Schools offer academic support, social and emotional learning, and health and wellness resources. United Way for Southeastern Michigan's Community Schools model focuses on : Integrated Student Supports, Family and Community Engagement, Expanded Learning Time and Opportunities and Collaborative Leadership.

Thompson K-8 International Academy and Southfield for the Arts and Technology are also IB World Campuses and join the community of state, private, national and international schools from every region of the world offering IB Programs. These are schools that share a common philosophy-a commitment to the high quality, challenging, international education that is important for student success on a global level.

University Middle School Academy is an examination/application school for students in grades 6-8. It is housed on the Lathrup Campus with a rigorous curriculum which has a balanced focus on the four core academic content areas of English Language Arts, Mathematics, Science, and Social Studies.

University High School Academy and University High School Preparatory Academy-is a school for parents and families who are highly motivated and who demonstrate a strong interest in Integrated STEM (science, technology, engineering, and math). This examination/application high school partners with the University of Michigan-Dearborn and Michigan First Credit Union. The educational process provides a variety of learning experiences flexible enough to allow for freedom to experiment and to make decisions conducive to personal growth.

Vandenberg World Cultures Academy, Thompson K-8 International Academy, and Southfield for the Arts & Technology: Southfield Public Schools now has three magnet ESL/bilingual schools. In an effort to provide improved rigor, consistency, and best practice, the elementary, middle and high school English language learners will be housed in an appropriate socio-cultural environment that is academically and cognitively challenging.

IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

The district is utilizing the Atlas Rubicon platform to standardize implementation of core content. The district is following an approved model and is being supported through this process by Oakland Schools, our local ISD. The district has executed two internal audits to assess current status and build our next steps.

THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

The standardized tests students took last year at MacArthur K-8 were M-Step, MI-ACCESS, PSAT and IReady. The IReady assessment was completed three times during the school year.

IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

Parent involvement is important for a student to experience academic success. During the 2021-2022 school year, 86% of our parents were in attendance at the Parent-Teacher Conferences representing 461 students. For the 2022-2023 school year, 94% of our parents were in attendance at the Fall Parent-Teacher Conferences representing 450 students.

CLOSING

MacArthur K-8 University Academy is a community school grounded in high standards for success and academic achievement! We are committed to providing each and every student with the highest quality of learning opportunities within a safe, nurturing, and supportive environment. Besides growing students academically and making them responsible for their own learning, we craft challenging, rigorous and engaging lessons to maximize their full potential. We also challenge all students to develop their character as a citizen in our school community (Integrity, Trust, Positive Attitude, Honesty, Responsibility, and Leadership).

Sincerely,

William Washington
