## 2011-2012 End of School Day Routine

Safety is important for all of our children! Each Thompson family is asked to identify what their children will do at the end of the school day. This information will be kept on file in the school office. Students will be dismissed only to people identified on their emergency card or this form.

Please remember that the school day ends at 3:15 p.m. Please do not have your child dismissed early except in emergencies. Every minute of learning time is important for success!
