

## MEET MR. MEAD

Hello! My name is Kevin Mead and I am in my seventh year teaching Physical Education at Vandenberg. Before teaching in Michigan, I taught six years of elementary Physical Education in Nashville, Tennessee and two years of Physical Education and Earth Science in Franklin, North Carolina.

I have an amazing family (wife Lindsey, daughter Raegan, dog Kiwi) that keeps me busy when I'm not teaching.

We like to hike, bike, travel, play sports, and laugh at each other's silliness. Thank you so much for allowing me to teach your child(ren)!!!
